

## NEW: Important Procedures for Tennis Camp

*What to Expect, Drop-Off, Pick-Up, and More...*

### Summer is Here!

We are so excited for [Contardi Camps 2020!](#) In order to make sure we have a safe and fun Summer we ask that you *read the following email in its entirety.*

Due to the current health situation we have some very important policies and guidelines we ask that everyone follow. Please read the following details regarding our check-in process and the steps we are taking to keep both our Campers and Staff safe and healthy this Summer.

### Registration

Camp enrollment is limited in order to comply with social distancing guidelines. Should your child want to enroll for multiple weeks of Camp you must register in advance to ensure your child has a spot.

### Check-in

When bringing your child to The Club you are required to pull through the front circle (no parking) and check-in on the front porch. Children cannot check-in more than 30 minutes prior to their allotted camp time. We are encouraging Campers to wear masks when entering and exiting the facility.

Upon check-in our staff will take your child's temperature as mandated by the State. Before leaving your child for the day you must make sure he or she passes the temperature check. Should your child's temperature be above 100.4 °F he or she will not be permitted to enter the facility. If that is the case you will be credited for the day of Camp he or she misses.

If your child is experiencing flu like symptoms such as fever, cough, or shortness of breath we ask that they stay at home from Camp that day and we will credit your account for what program he or she misses. Should your child come into contact with someone who has COVID-19 or is assumed to have COVID-19 we ask that your child does not attend Camp. *If your child cannot attend Camp please call The Club and let us know.*

Once your child passes the temperature check there will be supervised hand sanitizing.

**At this point you will turn in your two completed liability form. Please click [HERE to print TWO forms](#)- one for Tennis Camp and one for Swim Club liability. *These forms only need to be filled out one time for each family and will be valid for the entire Summer 2020.***

**Once your child has properly checked in we ask that you leave the facility to avoid large gatherings and maintain the flow of traffic.**

### **What to Bring**

**We will not be providing water** at the Café and drinking fountains are currently off limits. **Children must bring their own water bottles.** The Club has an ice machine and filtered water available in the kitchen in the lobby so children may refill their water throughout the day.

**To guarantee proper sanitation throughout the day each child must bring their own bottle of hand sanitizer.**

**Children in Full Day and PM Junior Camp should also bring a swim suit, towel, and sunscreen for afternoon swim breaks.** We cannot guarantee children will swim everyday due to pool restrictions, but they should come prepared in the event they are able to swim.

Children will still be permitted to buy snacks at the Café during breaks. We are encouraging touchless transactions via running accounts. If you do not have a credit card on file please call The Club to add one to your account for your child to purchase snacks.

**We will NOT be providing loner racquets at this time - Campers must bring their own tennis racquet.**

### **Pick Up**

*We ask that you make arrangements for your child to be picked up immediately following camp to avoid large gatherings in lobby and on the front porch. If for any reason you will be late picking up your child please call The Club and let us know.*

### **Questions and Concerns**

**If you have any questions or concerns please call The Club or visit our [website](#) for more information. Thank you for your support and cooperation with these new procedures. We look forward to another great Summer of Contardi Tennis Camps!**
