## Master the Elements

### **Go Program:**

Harper's new fun and fast paced instructional program using competitive drills and movement while focusing on a specific skill each day. We will be utilizing the entire Harper's staff to take your game to the next level. There are three new and exciting programs for convenient scheduling.

### **Go Sunday:**

This program will combine all levels of the **Go Program**. This class is aimed at players that are unable to attend weekday classes or those who would like an extra day of tennis. It will follow the same fast and fun structure of all the other **Go Programs**.
